New Business

Website: Todd added a new parent page to store multi-media. Documentary was added with a donation link to the home page. All older audio/video was moved from the home page to the new multi-media page to clean up the website.

Documentary: Viewing at Christ Church was well received. Reviews were all very positive. Many of our celebrities and supporters came to the opening. Thanked LeeAnn of the Ascend Wellness and Treatment Center for providing refreshments and Erika of Christ Church for arranging the use of their facility.

Programming: DayTop of NJ Holiday breakfast was attended. As always a very nice event and a reminder of how important their work is for these at risk young adults. Phase II will be Anthony Duran, phase III will be Project Pride on May 21st, and Celebrity Day will be on May 30th. Les met with the Principal and the 7th grade counselor. Waiting to hear back if they want a 7th grade speaker.

Trick Tray: We have approximately 76 gifts, either in hand or promised so far. The Barn and Ava's will provide food for the event. All seems to be on-track at this time. Will discuss at next meeting if the school will be asked to provide baskets again, maybe by team.

Les noted the passing of Tim Bassett, a longtime friend and participant in the RTSAA. Many of us attended the memorial service at Grace Church. We will honor Tim at Celebrity Day and invited his family and closest friends to attend.

Les also noted the passing of Ed Fahy a friend and volunteer to the RTSAA.

Public Session: No comments

Meeting adjourned at 7:40 pm.

Next meeting: Thursday, January 17, 2019 at the Copeland Middle School library.
